Recent Publications featuring Trust **Research & Innovation** related staff – September to October, 2013

*Publications included in these lists are identified by searching for authors in Manchester or the Trust affiliation. They are identified when they appear on Medline, Embase and PsycInfo bibliographic databases. References all in bold are to publications where the Manchester Mental Health & Social Care Trust are known to be included in the in the author affiliation on the full-text of the document or via the database record. Other publications have been identified by an author search, where a name occurs with “Manchester”. These references have just the authors in bold. This bulletin will also be available from our [website](#).*

If you would like to register with the Trust Library Service, so your name can be added to our search, please let me know at [Rosalind.McNally@mhsc.nhs.uk](mailto:Rosalind.McNally@mhsc.nhs.uk) or contact me if you would like to tell us about published outputs of Trust research.
